**Dual Credit/Dual Enrollment Course Guidelines**

The student must be recommended by their high school counselor and principal. School representatives reserve the option to deny a request based on academic or behavior records which indicate that the student would not be best served by this program.

Students must complete Kishwaukee College's registration form and submit an official high school transcript. No college fees are charged for KEC Dual Enrollment courses. Textbook expenses are paid by the KEC. Students are encouraged to get a Kishwaukee College student identification card. Students are granted full student status with all rights and privileges of services and responsibilities.

**Articulated Course Guidelines**

Specific courses to be articulated, required competencies, program requirements and other information will be provided by each program. Awarding credit and/or advanced placement will be considered on the following basis:

- 1) Students must enroll in an approved college curriculum, in which the approved course for articulation is included, within 18 months from the date of their high school graduation.
- 2) Students must be enrolled in Kishwaukee College and be in good academic standing.
- 3) A final high school transcript must be forwarded to the Kishwaukee College Registrar's office reflecting the KEC course and grade to be articulated.

**Students may contact the Kishwaukee College Registrar at 815-825-2086 ext. 2180, with questions and/or comments about college procedures.**
